Q3 FUNDRAISING ACTIVITY ROUNDUP

Banner Hunted 2025

Nearly £10,000 Raised To Date. 14 teams took part in the 2025 Banner Hunted Challenge, covering over 250 miles between them! Their mission was to find and decipher clues along a set route, whilst avoiding being caught by the 'hunters'.

"I had a great time taking part in Banner Hunted and raising money for evo Foundation. Having the chance to have time out of work to help a great cause with the team and raise so much money definitely made it worth it. Even if we didn't win it was still a great day."
