Once again we'd like to say a massive thank you to everyone who chooses to fundraise for the Foundation, we really couldn't do it without all of you!

SUPPORTING LAURALYNN HOSPICE

£2K

The evo Foundation has recently had the pleasure of donating £2k of funds raised to the LauraLynn Foundation.

LauraLynn is Ireland's only Children's Hospice providing palliative care for children with life-limiting conditions and supports families from all across Ireland.

Services include direct nursing and therapeutic care; symptom management;

a range of practical and emotional family supports, as well as end-of-life care and bereavement support for families.

LauraLynn's holistic approach, providing care in their Dublin Hospice, at the hospital, and in the family home, gives families access to a multi disciplinary team including specialised nursing care professionals, music therapists, and play therapists.

LauraLynn is so grateful for the support received from the evo Foundation. It has helped provide services like short break stays for children in the hospice, nursing care in the family home, and family support such as play and music therapy, and family camps. LauraLynn relies primarily on fundraised income and donations to fund its hospice services and all of our services are completely free of charge to families."

MESSAGE FROM ASHLEY BURKE, MD OF VOW IRELAND

We are incredibly proud to support the evo Foundation, and supporting causes close to our hearts here in Ireland is an even greater privilege. One of the charities we proudly support is the LauraLynn Foundation.

Our annual GAA Blitz is a fun yet challenging way to raise funds for this important cause. It brings together the evo Ireland team for a full day of spirited competition in celebration of Ireland's national sport. With generous support from leading industry brands, as well as our amazing employees, friends, and families, the event is always a highlight of the year.

This year's Blitz featured an exciting rematch, with VOW reclaiming the winning title! It was a fantastic day filled with energy, camaraderie, and purpose—raising over €7,500 for the Evo Foundation.

The Ireland team and I are already planning future events, including next year's GAA Blitz, to continue supporting the Evo Foundation and the incredible work it enables.
